STATEMENT OF CAPABILITIES

OUR STORY

Yarrowalk is a Supply Nation registered business specialising in Connection with Country.

Yarrowalk was founded by Scott Franks over 20 years ago through his desire to preserve and protect country for today and tomorrow.

Scott is a proud Wonnarua man and environmental consultant. Scott is backed by a team of experts that include Anthropologists, Environmental Scientists and cultural knowledge holders who understand and support the important work of cultural preservation.

Scott has vast cultural knowledge, a deep understanding of community, connection with culture and knows the importance of preserving cultural stories for generations to come.

Scott is a storyteller who has a vision to tell and preserve stories for our collective future.

ACKNOWLEDGEMENT

Yarrawalk recognises and honours the traditional custodians of the land on which we walk. We acknowledge the First Nations people that have passed over this country. We recognise the importance of country and culture to the First Nations people, and we have a commonality through the sharing of knowledge in this place. We recognise all First Nations people, past and present, and pay our respects to Elders.
